Experience Unlimited (EU) is a no-fee career resource center and job search networking group for business and technical professionals in the San Francisco Bay Area. EU is sponsored by the California Employment Development Department (EDD) and supported by EU volunteers.

The Contra Costa Chapter of EU (EUCCC) serves the needs of professionals in the Central Contra Costa area, roughly centered in Walnut Creek. A list of other EU chapters may be seen on the California EDD site by clicking here.

EU members have access to workshops, job listings, networking events, office facilities, resume assistance, interview practice, support groups and more.

EU alumni are invited to participate in selected networking events, databases and online discussion groups. Interested alumni should call or visit the EU office for details.
4. EU weekly General Meetings are open to the public on a space-available basis. Access to EU office resources, workshops and network database is limited to active EU members and qualifying alumni.

5. Read the initial membership requirements. To get started, call or come by the EU office. Sign up to attend an orientation meeting. Attend the chapter General Meeting.

6. To remain an active member of EU, you agree to:

1. Attend 2 General Assembly meetings a month
2. Attend 2 Committee Meetings a month for your committee of choice
3. Volunteer 16 hours per month (an average of 4 hours each week) to EU operations

Most members find this requirement easily met by simply attending Tuesday’s weekly General Meeting (1 service hour), a Committee Meeting immediately following (1 service hour), and through assigned department work or projects with service hours awarded generally based on the time required to perform the task.

For a list of tasks & the credit granted for each task, refer to page 10 of the Orientation Guide.

For more information, refer to Membership Requirements.

7. "Active" members of EU who have completed all membership requirements may change their membership status to "inactive" by submitting a Change of Status Form. Inactive members do not have access to EU office resources, but they do continue to receive job postings through email and the Yahoo Group (EUCCC). Inactive members can reactivate membership within twelve months without going through the application process again. We do not offer "suspended" or "on-hold" membership statuses. If you must leave for a contract, please, Gold Card! It is proof that the program is working & deserves continued support from EDD.
8. EU members and other interested parties can obtain a copy of the current monthly calendar at the EU office. It is also available on the website's calendar. If you are a member, you may login & see all of the events. Otherwise, those who are seeking membership, may only see the required entry point activities required for membership & events we offer to those without membership.

9. EU dress code is business attire for weekly general meetings and networking events. Dress code is "business casual" for the EU office and workshops.

10. EU has four operational departments: Marketing, Information Technology, Training, and Business Operations (Administration). Departments are staffed by EU volunteers.

   Members can volunteer to share their expertise in a particular area or to learn a new skill. Click here to learn more about the responsibilities of each department.

11. No, child care is not available at the EU office or the Concord EastBay WORKS facility. It is not appropriate to bring children to the EU office.

12. Employers support EU through the California EDD (Employment Development Department). In addition, our non-profit affiliate organization, Experience and Resource Network (EARN) provides additional support and resources for EU, Contra Costa Chapter.

   Financial considerations aside, Experience Unlimited thrives through the faithful support of the kind members and staff of Saint Anselm's Episcopal Church in Lafayette, the hard-working staff of the Concord EastBay WORKS facility, and ongoing encouragement of our Alumni members.

13. Send email communication to "EUOffice@euccc.org". In the subject line input, "IT Group -- Yahoo! Group mail". Request to be included & the address you want to receive email. Activation requires a Yahoo! group list moderator to accept your request.
14. Exiting the EUCC Yahoo! Group list is a self exit process. An "Unsubscribe" link is found at the bottom of EVERY communication sent from the group. Click "Unsubscribe" found at the bottom of ANY communication.
