Experience Unlimited offers job search related workshops free of charge to its members. All workshops are held at our office area within the East Bay Works, Concord office on Port Chicago Highway. Typically they are three and half hours and held monthly or bi-monthly depending on the topic. All our workshops are designed and facilitated by members of our Training Department.

Membership is required for participation in all workshops except **Job Search**. Job Search is a prerequisite for **Experience Unlimited membership** and should be taken first if possible. It is offered twice per month because of its importance and to meet prospective new members schedules. Refer to the workshop description below for more details. Please note that some workshops such as Resume Review do require pre-work which should be completed prior to attending.

Signup sheets are available at every Tuesday general meeting. If you sign up for a workshop and are unable to attend please notify the facilitator or leave a message at the EU Admin Desk (925) 602-0166 prior to attending.
